PRINCIPAL'S MESSAGE

Welcome everyone to the 2024 school year at Landsborough Primary School. It is fantastic to be out here and a part of your lovely community and school. It has been a bit of a whirlwind, that's for sure, but the staff, students and families have definitely been very welcoming, especially the staff bus trip into Amphi on day 1, where Miss Georgie and Therese had 35 minutes each way to quiz me!

With student absences, we will be looking at a more formal process of letting us know through the year, but in the meantime you are welcome to text me on my mobile 0400 502 355 particularly on a Monday or Tuesday when Miss Georgie isn't in to let me know about any absences, change in pick up situations or early departures and late arrivals.

We also ask that you be a bit vigilant over the next few weeks as there is some Covid going through our community at the moment. We have a few RAT Kits available at the office, but have placed an order for more and will send them home with the students once they arrive. Also we have some supplies arriving from Breakfast Club on Tuesday that will be made available to families. Once they have arrived, we will let everyone know what we have.

Thank you again to everyone for welcoming me into the Landsborough community and I look forward to working with you all throughout 2024!
