PRINCIPAL'S MESSAGE

Here we are, this week is the hump of Term 1, we are officially past the half way mark, which has gone incredibly quickly!

It's been a tense couple of weeks, with the bushfires on our doorstep. Hopefully with some cooler weather we will be able to see our amazing firefighters start to get on top of it. Thank you to everyone that has supported our students and staff during this difficult time, sometimes just checking in on people to see how they are can make a world of difference.

Some very exciting news...Miss Georgie and I are in the process of organising a School Fun Day on the last day of term! We can't reveal what we have planned, but I am certain that our students won't want to miss it!

In more exciting news, we are running an Easter Raffle to finish off our term. As part of the process, we are asking for families to make small donations of items that can be added to our prizes, more information about this is on the back of this newsletter. The raffle will be drawn at our family easter lunch on the 27th of March.

Finally, I need to finish off with a notification of our School Council Elections. Call for nominations for the 2024 School Council are now open. This year we have 2 parent and 1 staff position vacant. I would like to thank Rowena, Vicki and Therese for their 2-year term on School Council. They are of course welcome to re-nominate if they wish. Nominations close on Friday the 8th of March at which time the community will be notified if an election is required. If you wish to nominate for School Council, please see me for a nomination form and then return it to me on completion of the form. The School Council AGM will take place on Tuesday the 19th of March.
