TO
SUCCEED.**

PRINCIPAL'S MESSAGE

It's hard to believe that there are only 2 weeks left in term. I know for me it's felt a lot like a big roller coaster ride. Going up, down and upside down, rapidly changing directions, full of anticipation and just a little bit of fear and it all goes by so fast, but at the end you sit there realise how awesome it's been and getting to share the ride with great staff, students and families. But boy has a lot happened and still so much more still to come this term alone:

Parent Teacher Interviews

Originally, we had scheduled these in for next week, but due to an unforeseen clash, we have decided to move them until week 3, next term. Parent Teacher Interviews will now take Place on Wednesday the 1st and Thursday the 2nd of May. More information will come on how to book times for interviews.

School Council

Last Friday saw the close of nominations for the 2024 School Council. We received 2 parent and 1 staff member nominations for the 3 vacant positions and as such will not need to hold an election. Congratulations to Rowena, Vicki and Therese on the successful nominations. The first meeting of the 2024 School Council will be held on Tuesday 19th of March.

New Playground

There is obviously plenty of excitement about the new playground. The kids have watched eagerly this week as it has been pieced together and they can't wait for their first go on it. A reminder that the concrete needs time to cure and as such we have been advised that nobody should be on it until Monday. Please remind any community members with young kids that might be tempted to use the playground this weekend that it is not ready to do so yet.
