## POLICY

### 1. School profile

Landsborough Primary School is located at the foothills of the Pyrenees Ranges. It is part of the innovative and progressive Pyrenees Cluster which comprises 6 small rural schools. The school's core focus is to encourage students to become independent, life-long learners. We achieve this by creating a learning environment where our students can become risk-takers, independent learners, as well as socially aware members of the community.

Landsborough Primary School has in place enviable learning programs and teaching resources which enable its students to continue their growth. The school has a mobile library van (MARC) that visits fortnightly. The students learn Japanese in their Languages Program, and this is achieved via video-conferencing.

As a small rural primary school, we ensure our students experience life outside our town. The school operates 1 classroom for its 9 students and has many extra-curricular activities such as Cluster Days, a Swim program, camps, local excursions and cluster/division/regional sport. We also have one-to-one computers and iPads, videoconferencing and Interactive Whiteboard to enhance student learning. There are 2.2 equivalent full-time staff: 1 teaching Principal, 1 teacher at 0.6 and a 0.6 Education Support Staff member.
